

June 2009

Time...

So little time... so much to do! Know the feeling? Many of us do! Time flies by! Two of our granddaughters are taking driving lessons and one has already passed the theory. Can that amount of time have slipped by since we held that beautiful baby in our arms?

On 20<sup>th</sup> June the Chapel celebrates its 225<sup>th</sup> anniversary. No cars, planes or computers when the foundation stone was laid! That was 75 years before Big Ben started to keep time!

I wonder what people at the Chapel would have considered as they met for the first Anniversary Service in 1785? Here the similarities with our own era overlap! For the Lord God they loved and worshipped is unchanged, described in the Bible as *Jesus Christ - the same yesterday, today and forever.*

They worshipped Him because they knew from the Bible that God the Father sent Him into the world *to save sinners.* We share the need that they had - for a Saviour who received the punishment due to their sins. And they - and we - have in the Lord Jesus Christ the Saviour we need so much. Times have changed - but the basic need we all have remains the same.

We hope you will join us on the 20<sup>th</sup> June - and at any of the Chapel services you can attend.

Sincerely,

George Rabey - Pastor
