**A useful gift... a vital gift...**

A useful present! Money to buy a Sat Nav that will give clear instructions to reach my destination. What a help! The other evening I wished I already had one when the road through Bracknell leading to the M4 (and home!) was closed! Without clear directions it's easy to miss the way as I've discovered on more than one occasion! Getting lost can be inconvenient but taking the wrong road through life is dreadfully serious as it results in far greater - eternal - consequences.

The Lord Jesus told the crowds listening to Him that it was vital for them to take the one road leading to eternal happiness. He said: *Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go in by it. Because narrow is the gate and difficult is the way which leads to life, and there are few who find it.* This is a very sobering thought.

What is the way to heaven? It is knowing the Lord Jesus who explained *I AM the Way, the truth and the life - no-one comes to the Father but by Me.*

Many years ago I discovered that I was not on the right road. An important statement in the Bible accurately described my position like this: *There is a way that seems right to a man, but its end is the way of death.* When I realised this I asked the Lord to take control of my life. This meant a complete change of direction. Now I know He is my Saviour who died for my sins and who will take me safely to heaven. To possess such a confident assurance is to have the most valuable possession in the world.

At the Chapel we aim to share the Good News from the Bible with others! This message of hope has been proclaimed each Sunday for 228 years. To have a Sat Nav will be helpful. To be certain we are on the right road that really **does** lead to eternal life is vital!

Please come to our Anniversary Services on Saturday 16<sup>th</sup> June or whenever you are able to join us!

**Sincerely,**

**George Rabey - Pastor**
